As you prepare to come to Albany, here are a couple items we ask you to review—and take part in—if you would like...

Job Board at the Conference

Enclosed please find a form that you can complete and bring with you—if you have a position (or positions) that you are trying to fill! We will have a good ol' fashion **Job Board** by Registration, where attendees can browse and see what is available.

If you would like to also bring a 1-page ad for your company or your own version of a job listing, we will be glad to post them on the Job Board.

As this is NYSNLA's first statewide conference in over 22 years, we want to take this opportunity to begin saving our association's incredible history! If you have any historical documents, photographs, or items from NYSNLA's history and would like to donate them to the association—please bring with you to Albany! We will be glad to take possession of them—and hear any stories connected with the item! We will also take your photo with the item—and share in our next newsletter. If you do not want to donate such items—still bring them—so we can scan and digitize them. We promise to be gentle!
